

Singers Present Christmas Concert Tuesday

The instrumental and choral forces of the Green River College music department will present the annual Christmas concert Tuesday at 8 p.m. in the college's Performing Arts Building. The concert will be entitled "A Sacred Christmas."

The prologue for the program will be played by the instrumental ensemble under the direction of Vernon Nicklaus and Douglas Corliss.

The Green River Singers directed by Ronald W. Smith will then sing "Sir Christemas" which features Brian Jones as soloist, "This Is the Truth Sent from Above," and "The Angel Gabriel."

Following the three selections by the choir, Dennis Yadon will play a trumpet

solo "Oh Holy Night."

The college Singers will then sing "Joseph Dearest, Joseph Mild," and "Jesus, Jesus, Rest Your Head." Brian Jones will be the soloist during the second selection.

Mary Jo Ferrucci will solo as a select ensemble presents "Mary and the Baby." Then "I Wonder as I Wander" will feature Sandra Curtis as soloist. The ensemble numbers will conclude with "Carol."

Following an instrumental interlude, the Singers will conclude the program with "Din, Don, Merrily on High;" and "God Bless the Master of This House." The final selection is a clever medley of several Christmas Carols arranged in a

contemporary setting by Kirk Mechem. Mr. Mechem also arranged "This Is the Truth Sent from Above" and "Joseph Dearest, Joseph Mild."

The opening number on the program, "Sir Christemas," is written in the style of an old English carol using the herald in the town square to proclaim the good news. "Jesus, Jesus, Rest Your Head" and "I Wonder as I Wander" are two Appalachian folk songs. "Mary and the Baby" is a song composed in the idiom of the West Indies, and is a sensitive setting likening the poorness of the material surroundings of the Birth with the mean circumstances of the West Indian people.

Members of the College Singers are

Mike Bemis, Carla Berrey, Martin Boatman, Janice Cavanaugh, Jane Cleveland, Wayne Courtney, Sally Crandall, Sandra Curtis, Robert Duckworth, David Feden, Mary Jo Ferrucci, Wayne Fisher, Sarah Groom, Kris Hannus, Charlene Hawkins, William Heft, Brian Jones, Janice Kean, Jane Lloyd, Heidi McInnis, Brenda Meek, James Meyer, Leonard Obert, Thomas Rayner, Kathy Reise, Kristi Van Hoosen, Norman Waldref, and Dennis Yadon.

Accompanists are Carla Berrey and Kris Hannus.

Stage setting and art work for the concert is being done by art students of Bernard Bleha.

Highline Challenges GRCC To Food Drive Which Begins Today, Ends Wednesday

Green River College has accepted a challenge made by Highline College to participate in a competitive canned food drive which begins today, according to Roger Sloan, ASB president. The contest will last for six days, ending on Wednesday.

The loser of the contest will sponsor a dance for the two colleges on its campus. The dance will be held January 5.

All of the food collected during the drive will be donated to the Seattle Indian Bureau, who will then distribute it to Washington Indian Communities.

The freshman class, with President Jim Akers as chairman, is in charge of the food drive at Green River.

The rules for the food drive are:

1. The contest will last for six days. It will begin on Friday, December 1, and end on the following Wednesday, December 6 at 12:00 noon.
2. The amount of food collected by each college will be determined on Wednesday, Decem-

ber 6 at a time to be arranged.

3. The food may be collected by Highline and Green River students only.

4. No college or club funds may be used to purchase the food.

5. No publicity or advertising outside the two campuses will be allowed.

6. No perishable goods will be accepted. Dried foods, such as cereal or rice will be accepted along with the canned goods.

7. The total of goods collected will be weighed rather than counted on Wednesday, December 6 at a place to be determined later.

8. A dance will be held January 5, 1968 at the loser's facilities. The loser will arrange for a band and policemen to be hired, which the loser will pay for. Each school is to provide two patrons for the dance.

9. Individuals must present their A.S.B. cards in order to be admitted to the dance.

10. The dress for the dance will be school clothes.

FRITZ JOHNSTON

Official Seal Selected by College Board

Green River finally has an official seal. The Board of Trustees of Community College District No. 10 selected a design at their last meeting which will be adopted as the official seal of Green River College. The selection was made from a number of designs submitted to the board by Green River art students and others.

Fritz Johnston, an art major at Green River, submitted the winning design. The symbols in the center of the seal represent the academic, vocational-technical, and continuing education aspects of the college. A lamp at the top represents the "Lamp of Learning", and a key at the bottom represents the key to educational opportunity.

Upon learning of the Board's decision, Fritz stated that he was able to construe the idea for the design a lot faster than he could draw it. "After finishing the rough draft, the drawing which I submitted to the Board took approximately three weeks to complete."

Ambassador Tran Van Dinh Of Viet Nam to Speak to GR Student Body on 'Accords'

former Ambassador Tran Van Dinh, South Viet Nam, will speak on "The Geneva Accords" this Thursday, December 7, in the Performing Arts Auditorium at 2:00 p.m., according to Mr. Orval Hansen who is in charge of the Artist-Lecture series.

Ambassador Van Dinh was charge d' Affaires and acting ambassador of Viet Nam to the United States in 1964. After representing

his country in several Asian countries and in Latin American countries, he resigned from the Vietnamese foreign service to live and work in Washington D.C. as a journalist, author, and lecturer.

Born in the Imperial City of Hue in 1923, Ambassador Van Dinh fought against the Japanese and French in the nationalist cause from 1942-1949.

Winter Quarter Schedules Ready

OH! what shall I take, or have to take, has probably been perplexing a lot of students lately. Winter quarter schedule of classes can be obtained in the main office simply by asking for it.

The schedule includes not only a list of the upcoming classes offered, but also a college calendar for the quarter, information about registration, financial aids, changes of schedules, dropping a class, refund policies of GRCC, non-resident requirements and advising appointment information.

The schedule is free and everyone is urged to pick his up as soon as possible to make plans for winter quarter.

Students are encouraged to sign up for advising appointments as soon as possible also. The schedules have been placed in the HS building, the ST building and in the vocational areas.

December 18 and 19 have been appointed as the days for advising although some teachers are holding their appointments before Christmas vacation begins.

Students should make sure of the time and date of their appointment and do it SOON, according to Mr. William Merifield, Counselor.

Students wishing to enroll in evening classes for winter quarter must sign up the week of Dec. 11-15 for appointments on the nights of Dec. 20 or 21.

Appointments can be made by either calling the college or reporting the week of Dec. 11-15. If appointments are not made, open evening registration will be held the nights of Jan. 2 and 3.

The registration lines for evening classes will be open from 6-9 p.m. on the specified dates.

Road Rally Slated Dec. 17

Members of the Veterans Association will be waving the green flag to start a Winter Road Rally on December 17 at 12 noon, according to Jim Smith, association vice-president.

The three cars that come the closest to the established time set for the course will receive trophies donated by Louie's Shell Service Station in Auburn.

The rally will begin at the upper lot of the college and after completing the course, which is around 200 miles in length and within 100 miles, of the Green River campus, all contestants will return to the upper lot to receive the checkered flag.

Anyone who is interested may enter the rally at a cost of \$2.00 per car. Registration has been taking place this week in the hallway near the upper lounge and ends today.

The time element is the deciding factor for the winning of the first, second, and third place trophies which will be awarded. Speed is unimportant to a degree in the rally, for it is not a "race" as such. Cars traveling the speed limit, following the map which will be given to each participant just before the race, and obeying all signs, such as stop and warning signs, will find themselves com-

ing in with the closest winning times.

Any person who receives a ticket for speeding, reckless driving, etc., during the course of the race will automatically be disqualified. Police will be informed as to the course of the race.

Psychadelic Extravaganza To Be Shown

"Juliet of the Spirits," a psychadelic film, is scheduled to be shown on Tuesday December 5, at 1:00 p.m. in the Performing Arts Auditorium, according to Mrs. Joan Hind, English instructor.

Produced by Federico Fellini, who is the producer of the movies "La Dolce Vita" and "La Strada", "Juliet of the Spirits" concerns the examining of the inner mind of a middle age maiden Juliet, in modern-day Rome. The flashbacks and dreams which Juliet experiences makes for a lavish and beautifully colored movie which has won many awards for its extravagance.

Church Not Responsible For Draft Fallacies

Within the Constitution of the United States of America there is a very definite reference to the relationship between church and state. It plainly states that there shall be no encroachment by the state into church affairs.

Keeping this in mind, it is easy to understand where the church oriented organization calling itself, "The Clergy and Laymen Concerned About Vietnam," mustered up the courage to issue a statement supporting 992 individuals who turned in their draft cards, as a group, to the Justice Department. And then issuing another statement urging members of churches and synagogues to set up draft counseling centers and "be prepared to pay whatever price may be expected to defend the right of conscience our government refuses to honor."

The Rev. Dr. William Coffin Jr., Yale University's chaplain, who aided and abetted these 992 individuals, stated afterwards that the Justice Department was derelict in its duty because the Selective Service Act states that anyone "who knowingly counsels, aids, or abets another to refuse or evade service in the armed forces, shall be liable to imprisonment for not more than five years or a fine of \$10,000 or both."

Knowing full well that the Justice Department is not going to walk up and arrest Yale University's chaplain, it is easy to understand how the Clergy and laymen concerned about Vietnam, with their usual, logical reasoning, can stick out their glass jaw time after time. Who's going to break it?

If the draft system is wrong or unjust, then we, as responsible citizens, should change it within the framework of the law, not through the church, not through civil disobedience, and not in such a way as to make martyrs out of hippocrates.

Veterans Submit Open Letter To President

TO: Dr. Melvin Lindbloom, President
GREEN RIVER COMMUNITY COLLEGE

FROM: Veteran's Association

Dear Dr. Lindbloom:

On November 20 Mr. Aubert attended the Veteran's Association meeting. He drew attention to a number of veterans who apparently expressed dissatisfaction with the P.E. requirements. Mr. Aubert stated he was not approached by the Veteran's Association as an organization concerning the P.E. requirement.

The P.E. requirement has never been brought to the attention of any members of the Veteran's Association. It is not part of the agenda, and any veterans discussing this with the Administration do so without the sanction of the Veteran's Association.

As part of the original Charter, the Veteran's Association felt that no special concessions or privileges should be granted. Should waiver of the Physical Education requirements become part of the Veteran's Association agenda, Mr. Aubert would have been consulted and conventional channels of appeal utilized.

Many of the veteran students who did not have to take Physical Education under the old program, have seen the need for this activity, and are subsequently taking P.E., even though they could be waived from this program.

Very respectfully submitted,

Gary Holm, president; Jim Smith, vice-president, Student Council Representative; Gary Benz, secretary-treasurer; William R. Merifield, advisor.

College Prepares For Exams

Students and members of the faculty are already beginning to prepare for the final examinations for Fall Quarter. Term papers and library assignments due are propelling more and more students these days towards the door to the library rather than the door to the lounge.

Communism Struggles For U.S. Hold By Exploiting Intellectuals

By Wally Waldref

"Communism" was originally applied to any political system based on common ownership of wealth by the revolutionary theories of Karl Marx and Friedrich Engels. The Communist doctrine called for a violent overthrow of all capitalist governments and the ultimate foundation of a socialist state.

After the success of the Russian Revolution and the foundation in 1920 of the Comintern or Third International, the term "Communism" came to be specifically applied to the political organization and creed exemplified by the Russian party.

When Joseph Stalin succeeded Lenin as head of the Russian Communist organization in 1924, all Communist policy became directed toward the strengthening and expansion of the Russian regime, rather than toward world revolution. Although Communism made substantial gains in the period between the two World Wars, it was not until World War II that the Communists were successful in obtaining full control of the government in any country but the U.S.S.R.

During the war, Latvia, Esthonia, and Lithuania, were occupied by the Communists, and after the war, China and the Eastern European countries of Poland, Czechoslovakia, Bulgaria, Romania and Hungary came under Communist domination. Although not in the majority, the Communists were also powerful in France, Italy, Germany, and several countries of the Far East.

The Communist Party in the U.S. is a revolutionary political party, a branch of the International Communist Movement. It was founded in 1919 by a small group of left-wing Socialists, and was affiliated with the Comintern.

The party made a particular effort to identify itself with the struggle for equal political and economic rights for Negroes, but also exploited both real and imagined injustices in the American system.

The communist claimed to be a "progressive" rather than a revolutionary party, and enlisted a number of members and non-member "fellow travellers" particularly among younger intellectuals.

The party showed its greatest strength in 1932 when it polled nearly 100,000 votes for its presidential candidate. The influence of the party was greater because of the handful of members and fellow travellers who were important in government or in public life.

Because of patriotism in Democracy, in 1947 Communists were barred from holding government jobs in the U.S., and in succeeding years efforts were made to remove party members from teaching and other professions. These efforts were complicated by the ease with which an individual could be charged with Communism and the difficulty of proof, but this was a start. Even the Communist government of Yugoslavia broke with the main Communist Bloc in 1948.

Ripples On The Current

Dear Editor,

We are writing this letter in reply to your letter from Chung, and this is, in turn, directed to Chung.

First of all, what exactly is the purpose of Chung? As we hear it, it's a service club on campus to help represent the students. Is slander considered a service, and are we to stand by and let your minute club represent the students? Hell no!!

You first complain about the officers appointed by our Associated Student Body President, Roger Sloan. We are in complete agreement on Sloan's appointments. These appointed officers are doing their job and doing it well. Should they have been elected? Under the circumstances we say no.

These appointed officers and the elected officers worked hard all summer to have things ready for fall quarter, and to get this year off to a good start. If this had not been done, then we say they could have been elected; but with the accomplishments that have been made, we praise Roger Sloan in his decision.

You (Chung) are complaining about the democracy here; just what exactly are you doing about it? Not a thing! Instead of taking action or getting a constitutional revision, you write an arti-

cle filled with apathy, condemning our president.

It seems like you are out for slander and looking for revenge. Why don't you stop your high school tactics and help our "Great White Father" establish a democracy rather than criticize his ways of making Green River a college to be proud of.

Signed,

Teri O'Grady, sophomore class representative, Stan Bassett, Arthur Wickstrom, Ken Dehnert, Bill Toussaint, Carla Berrey, Larry Mattson, Mike Bemis, Sandee Rogers, student council representative, Steve Thazn, Dennis Brothers, Steve Twardus, Jim Akers, freshman class president, John Welch, GRCC WACCSG representative, Corinne Crate, Don Edwards, Lonnie Williams, Mike Shephard, Ski Club president, Ed Damitz, Rick Shaw, Dan Burwell, Cris Andersen, Kathy Turner, Lynn McClure, Carol Barber, Jennifer Hunt, pep club secretary-treasurer, Diana Shannon, Lani Roush, Bill Stalhammer, Ellen Stendal, Ski-Club student council representative, Kathy Hartman, Tim Cummings, Ray Watts, Steven Rarey, Kay Vice, John Neill, Larry Loffer, Dwight Crumacker, Woodrow Harter, Jr., Bruce Mountjoy, Jerry Lambardini, Jack Cartwright.

Pep Band Seeks Members

A "modern" version of the Pep Band which will feature arrangements similar to the Tijuana Brass is being considered by the college student body.

Dennis Yadon, student director, said that nine students are signed up so far. They include Don Sweaney, trumpet; Jeff Jorgenson, trombone; Jim Nevrnan, drums; Gerald Berry, trombone; Brian Munay, drums; Dennis Yadon, trumpet; Dale Nelfert, sax; Chuck Joiner, sax; and Mike Bemis, trumpet.

Students interested in joining Pep Band should sign the list on the bulletin board in the activities office in the gymnasium. The band will rehearse at noon Tuesdays and Thursdays in the Performing Arts Building.

Anyone interested, but unable to participate because he has no instrument should contact Dennis Yadon, Roger Sloan, student body president, or Bob Aubert, director of student activities.

Now Ready

New Lounge To House ASB Offices

The long awaited new lounge should be opened by next week. The lounge, which also will serve as the temporary A.S.B. building, is located on the east side of the gym and south of parking area E.

According to Mr. Robert Aubert, coordinator of student activities, the new lounge will have four offices, a storeroom and a workroom.

One of the offices will be for the coordinator of student activities, Mr. Aubert; one will be used by his secretary, and the other two will be used by the ASB officers. ASB President Roger Sloan, and ASB Vice-President Gary Gadwa will share one office while ASB Secretary Georgine Nymon and ASB Treasurer Jack Boyett share another.

At this time there are no plans for offices for the sophomore or freshman class officers.

Artists Present Philosophies

Prominent artist-philosophers presented "Art, the Visual Expression of Contemporary Thought" in a panel discussion through the use of visual media on campus Thursday.

Ronald Curraher, a prominent film maker brought films to show for the occasion; and John Geise, prize-winning sculptor from the Seattle area, brought along some of his works of art. Other members of the panel included Ugo Adriano Graziotti, a painter-philosopher from Florence, Italy; and Dr. Philip Montague, from Western Washington State College's philosophy department, whose major area is aesthetics.

Two performances were given. The first was at 1 p.m. for the student body and the repeat performance was at 7:30 p.m. for the community and interested art personnel.

Dr. Fohn, Students Attend Awarding of Pauling Medal

Dr. Edward Fohn, chemistry instructor at GRCC, has invited students who are interested to attend the presentation of the Lewis Pauling Medal to Dr. Manfred Eigen, Nobel Prize winner in chemistry for 1967.

The award, established by the Puget Sound and Oregon Sections of the American Chemical Society, recognizes outstanding achievements in chemistry, according to Dr. Fohn.

Mr. Eigen will receive the award in ceremonies at the Eames Theater, Pacific Science Center, this Saturday.

Club Attends Colloquium

The Chemistry Club will attend the colloquium on "Stellar Explosions" at the University of Washington at 4:30 on Monday, December 4.

French, German Spanish Tests To Be Given

Placement tests for French, German, and Spanish will be administered to all interested students on Saturday, December 9.

All students who plan to take one of the foreign languages must register in the counseling center, according to Mr. Jerry Johnson, counseling.

A fee of \$2.00 for the test must be paid at the time that students register.

The test schedule is as follows: German, 8:00 a.m.; French, 10:00 a.m.; and Spanish, 12:00 noon.

Hedlund Visits Nation's Capitol

Mr. Gerald Hedlund, GRCC anthropologist, who was featured this summer on a special television course presented twice a week over KING-TV, is presently in Washington D.C. attending the national meeting of the Anthropological Association.

Hedlund, attending the sessions which started on Thursday, will return to GRCC on Tuesday following the final sessions Monday.

Business Executive Speaks Here

In order to supplement their term papers, the Business Administration 101 class has invited Mr. Jack Burtch, controller of Heath-Tecna Corporation to speak before them.

Mr. Burtch will speak to the class Tuesday at 8 a.m. in HS-17. All other students who would like to attend are invited, according to Mr. Jack Werner, business instructor.

Gators Open Season Tonight

Yakima, Bellevue Challenge Green River

HOOKS FOR TWO — Jerry Walston drives for a basket in a junior varsity workout.

The public gets its first look at a team many experts say could be one of the powerhouses of the Western Division of the state community college basketball conference when the Green River College Gators host Yakima Friday and Bellevue Saturday.

That's an unusual prediction for a team that finished next to the bottom of its division last year, the first season of varsity competition for the Green River squad.

One indication of Coach Bob Aubert's new-found strength is that his probable starting lineup doesn't include any lettermen with the exception of All-Conference forward Greg Brovold who "may start."

Probable Starters

Aubert indicated before Monday's practice that he'll probably start at guards Duane Barnette, a transfer student from Eastern Washington State College, and Tim Cummings, a freshman from two state championship teams at Renton High School; at forwards 6-7 Marion Bozman, another transfer from Eastern; and Rick Basquette, another ex-Renton star; and at center, either 6-5 Brovold, scoring and rebounding star from last year's varsity, or high school All-American John Harrell of Ohio. Harrell also is 6-5.

There's no doubt that the rest of the varsity will see action against Yakima and Bellevue. They include guards Roger Sloan, a starter last year; and Moses Taylor, a starter last year at Columbia Basin College in Pasco, runner-up to state champion Spokane; forwards Tom Solberg, former Auburn High School star who transferred to Green River from Washington State; and Mike Willis, another member of the state champion Renton team; and at center, Jack Boyett, another starter from last year.

Yakima is expected to be the stronger of the two teams to face the Gators this weekend. The Indians last year finished third in a very strong Eastern Division which was won by Spokane and Columbia Basin, the two teams that survived the state tournament to play for the championship. This will be the first season of varsity basketball for Bellevue.

Both games are non-conference contests.

The junior varsity, under Coach Nigel Adams will see its first "league" action Friday in the preliminary game slated to start at 6 p.m. The JV's this year will play in the City League. Friday they'll host Hoyt Rambler, usually one of the

stronger teams in the league.

Adams said that he expects to start Terry Rudnik and Gary Cressman at forward. Rudnik, twice an All-Conference football and basketball player at Orting as a high school student, transferred to Green River this year from Yakima where he played on the varsity last year.

Cressman, a South Kitsap graduate, was also a football, basketball and baseball league All-Star in high school. Rudnik is 6-5, Cressman is 6-4.

At center Adams will star 6-3 Jerry Walston, a freshman who last year was Fife High School's leading rebounder.

At guards, he'll use Jeff Gibbons, 5-9 sophomore from Puyallup, and Chuck Wilson, a 6-0 freshman from Kent-Meridian.

Two men likely to see a lot of action for the JV's are Paul Rushton, a 5-5 guard from Franklin Pierce and Steve Powell, 7-0 sophomore center from Foster who started part of the season last year for the Gators.

Game time for the preliminary game Friday is 6 p.m. with the varsity contests Friday and Saturday slated for 8 p.m. There will be no preliminary game Saturday. Prior to the games Friday, the cheerleaders will hold a bonfire pep rally next to the gym.

Wrestlers Open Season Tuesday

Green River College wrestlers will open the season Tuesday when they face Shoreline's grapplers at Shoreline. On Saturday, December 9, the Gators travel to Lower Columbia at Longview for their second road trip of the season.

Coach Doug Carr expects Grays Harbor, last year's state champion, to be one of the better teams they will face this year. He is optimistic that, despite the loss of state champion Don Edwards, this year's team will be, over-all, stronger than last year. He is looking for lettermen Dave Bartlett and the Pediferri brothers, Jon and Walt, to lead the team.

Bonfire Rally Planned Tonight

As part of the excitement of beginning the 1967-68 basketball season, Green River cheerleaders this afternoon will set fire to a pile of logs, sticks, and reject lumber for a bonfire Pep Rally.

The blaze will begin at 5:30 p.m., just a half hour before the junior varsity basketball game which kicks off the season. The JV squad will host Hoyt Rambler in the preliminary game to the varsity non-conference contest between the Gators and Yakima Valley.

The rally will be staged just west of the gym. The woodpile has been getting higher each day for the past week and includes tires, logs, a console radio cabinet, and a two-seater outhouse.

Carwash Saturday

The Ski Club is sponsoring a car wash which will be held this Saturday, December 2 to help finance an upcoming ski trip.

The car wash will be held at the 76 Station in Auburn and the Shell Station at Benson Center from 9:30 a.m. to 5:00 p.m.

The price for washing a car is \$1.00. All cars with whitewalls will be washed for \$1.50. Any GRCC student who would like to help wash cars is welcome to participate, according to Ski Club President Mike Shephard.

Special K

Big Bo to Baffle Bellevue

By Larry Knipschild

He's a big man, and they call him "Bo". His Christian name is Marion Bozman, he's 24 years old, and stands 6'8" from the floor. At this time "Bo" calls Chicago home, but he originally comes from Thornton, Arkansas.

In high school Bo proved to be a journeyman basketball player. He was named to the All-State team in his junior and senior years. Two of the more notable records that Bo set in his high school days were most points in one game and highest season average, at 44 and 28 points, respectively.

After leaving high school, Bo entered the U.S. Navy and served four years. While a sailor he was named to the All-Service team two years in a row. When Uncle Sam released the big man, he entered Eastern Washington State College where he served a starter on the Savage basketball team.

Last spring quarter Bo transferred to Green River to pick up some credits so he could enter as sophomore at Seattle University. Since then Bo has changed his

plans, and now intends to take his talents to Michigan State.

In the future the big center-forward hopes that some pro team will take advantage of his command of basketball. When he isn't bouncing one roundball he's catching another one that is slightly smaller and has a horsehide cover. In the realm of the basebatter Bo is a guardian of first base.

For an enjoyable evening make it on down to the Green River gym and see the Gators and "Big Bo" demonstrate the art of basketball.

The Special K Salute of the week has been brought to honor the future State Community College Champions, GRCC.

Sigmund Freud
speaks to psychology majors!

“Very often, money in the bank is an instantly effective cure for personality problems.”

Which leads us into a little commercial about NBofC Special Checking Accounts. Great way to solve insecurity feelings. Because you're never without money (providing your balance is in balance). No regular monthly service charge. No minimum balance. Just 10c a check when you write 5 checks a month. Better check it out.
