DECA WINNERS -- Trophy winners at the state DECA (Distribution Education Clubs of America) Post Secondary Conference last week were three Green River Management Club members picture here with adviser Richard Passage, left. Next to Mr. Passage are, from left, Bill Herman, winner of the Marketing Improvement Project division; Frank Wingard, winner of the state Human Relations Decision-Making; and Bill Butler, third in Impromptu Speaking. The three students and Cris Andreasen and Dick Steinmetz will leave May 4 for Atlantic City for the National DECA conference.

Loland to Head Discussion in Miami

Vern Loland, chairman of the Humanities Division, will attend the national conference on College Composition and Communications at Miami April 17-19.

For the past year Mr. Loland has served as assistant

chairman of the Northwest Regional Steering Committee of the 4 C's. At Miami he will be chairman of a discussion group on teaching literature.

In connection with the national meeting, Mr. Loland has been invited to participate in The Continuing Workshop on Crucial Issues in Teaching English in Two-Year Colleges Thursday and Friday, April 17-18. Loland will also participate in the Two-Year College Workshops at the national meetings in 1970 and 71.

Representatives from both four-year and two-year schools

will attend the meetings. Two-year college personnel are very much involved in executive offices and setting up conference and programs on both a regional and a national basis.

The English teachers will talk primarily about English composition and how language and grammar, semantics, literature, mass media, and logic relate to the teaching of composition. Approaches to composition courses for the unprepared freshman, and Black literature and college English are also topics to be discussed by the participants.

Movies Planned

The Cinema committee will present Andrej Wajda's movie "Ashes and Diamonds" today at noon in the Performing Arts Building.

The Polish film depicts the idealism and instinct of a young Polish resistance fighter at the end of World War II who assassinates the wrong men. The film brings out quite clearly the destruction and political fanaticism of Communist societies.

Next Thursday, Billy the Kid rides again at noon in P.A. 8. The movie features the eternal rebel, Paul Newman, in a tragic story of revenge and murder. The movie's title is "The Left-Handed Gun" by Gore Vidal.

Chem Club Plans Trips, Lectures

Chemistry Club dates back to the origin of Green River Community College, making it one of the oldest clubs on campus.

The purpose of the club is to illustrate opportunities to be found in Chemistry and allied fields.

The group has already visit-

ed the Olympic Brewery and are making arrangements to visit both Tacoma General Hospital laboratories and Boeing's Kent Aero Space Research Center.

They are arranging a lecture series for the noon activity program. Guy Blanton will talk about an undergraduate re-

Students to Vote on New Constitution

A new constitution for students of Green River has been proposed to the Student Senate. The Constitution was the result of a quarters' work by Mr. Mike McIntyre's government class, which is comprised of student leaders. Besides spelling out more precisely the ASB president's and Senate's powers, and including the idea of senate by-laws, the chief new idea embodied in the proposal was the Student Judicial Board.

The Board would be comprised of (five) Justices, who would make decisions concerning constitutionality, discipline, and elections, thus giving students the opportunity to handle problems themselves. The new constitution also spells out appointive offices to take care of the executive business of the government, and makes the vice-president the chairman and will preside over the Senate. The ASB president is a non-voting member of the Senate, but does have some veto powers. The

constitution is expected to pass through the Senate with some small changes, and then to be brought to a vote of the students.

ROBERT HARDEN
to head PT delegation

JOB RECRUITING TEAM HERE TODAY TO TALK WITH GRCC STUDENTS

Lawrence Radiation of Livermore, Calif., will be recruiting for drafting technicians, electronic technicians, and mechanical engineering technicians today.

Students wishing appointments should contact the Counseling Center.

PT Students Plan Trip To Seminar

Green River physical therapy students will attend the annual Spring Seminar of Washington and Oregon Physical Therapy Associations in Portland April 11-13.

Professional physical therapists, instructors, and students from Washington, Oregon, and Idaho are expected to be on hand for the annual meeting, according to Robert Harden, chairman of the Health Occupations Division at Green River. Harden will accompany the group to Portland.

Some Green River students also are planning to attend the national meeting June 29 to July 4 in San Francisco of the American Physical Therapy Association.

24 Students Top Honor Roll With 4.0 Averages

Editorials and Opinion

Who Does the Paper Represent?

What is the college newspaper of today? Who does it represent? Perhaps in the past it may have been an antiseptic sheet of sterile news, assembled as a classroom exercise by a group of journalism students who figuratively handled it with white kid gloves. Or it may have been merely an echo of the lofty academic philosophies issuing forth from an ivory-tower institution and its isolated and insulated inner sanctum of administration and faculty.

However, today the walls of the campus ivory-tower have long since crumbled. The college and those who make it up have become an integral, involved part of the community and the world, and the college newspaper has had to "come alive," in order to mirror and to express that involvement.

The college newspaper of today belongs more than ever before to the student. The Green River Current belongs to all of you students here — it is your voice, one of your best means of campus communication and

expression — that is, provided you use it.

We on the Current staff ask your help in making the Current more representative of you. First of all, we'd like to know what you are thinking; intelligent "letters to the editor" are always welcome.

Secondly, we also ask your assistance in letting us know of interesting news, coming events and happenings both on and off the campus. We are not shirking our journalistic duties, but our small staff is composed of students, not professional journalists, and we all have many other obligations we must fulfill.

We would like to know our readers, and we would like you to know us, so drop by the newsroom and get acquainted, and feel free to call us or stop us on campus if you have news of interest.

Communication is a two-way street. We are as anxious to produce a paper worthy of Green River as you are to read one. With your help, we think we can do it.

Soc Students Survey Campus

Last quarter members of Paul Lewan's Sociology 110 conducted a campus-wide poll involving about 120 G.R.C.C. students. Opinions on current, local, and federal issues were gathered and compiled. (See results below for all college total figures.)

Opinions were broken down and grouped according to age,

under or over 25, and sex. Significant differences from college total percentages pro and con appeared as follows:

Question 1, legalization of marijuana, the over-25 age group, the no response raised to 75% from over-all 53%.

Question 2, shooting rioting looters, the over 25 group raised the yes response to 70% from 56%.

Question 4, more severe criminal punishment, the over 25 group raised the yes response to 70% from 54%.

Question 6, liberalization of abortion laws; G.R.C.C. Males, yes — 93%, G.R.C.C. Females, yes — 66%, over 25 yes — 57%, under 25, yes — 87% from 84%.

Question 10, increased role of public schools in sex-education, over 25, no — 64% from 28%.

Mr. Lewan suggested these differences were due to general tendencies of the individual groups. Females tend to be more cautious and social conscious. Those in the over 25 group are prone to be more traditional and less susceptible to change while the younger generation is more idealistic.

10. Should public schools assume more responsibility in the area of sex education?	71	18	11

National Polls Shows

Student Government Poses Main Threat to Campus Press Freedom

"Student government poses the greatest threat to student press freedom."

This was one of the surprisingly unanimous answers to a recent mail survey of 46 colleges and universities by the National Council of College Publication Advisers to determine attitudes toward freedoms and responsibilities of the student press.

Seventy replies came from student editors, faculty, "fac-administrators," and administrators, and all agreed that the purpose of student publications was to inform, to educate, and to entertain. The one modification added for the student press was "in relation to campus and student activities."

AS TO CONTROLS, the survey showed general agreement that accountability for student press activity should be vested in "the student body in general." However, certain parties should not participate in decision-making for the publications. All agreed that no printers under contract to the publication should be involved in this, and the Faculty and Students added "legislators," while Students and Administrators added "alumni."

Concerning student press freedom, student government was the unanimous choice as posing "the greatest threat." Students and fac-administrators added the administration as a danger, and students alone added "Faculty Senate."

All factions agreed that ideally the student editors should accept legal responsibility for all publications activities; the administrators felt that this responsibility should be shared equally by the Publications Boards, and the Faculty added, "the institution."

The question of "taste" brought forth the interestingly unanimous opinion from students and faculty that four-letter words should be permitted, providing they are used "in proper context." Administrators were divided and indecisive, responding with, "No obscenity,

Graduation Requirements Outlined by Registrar

There are certain requirements for graduation from Green River College to be fulfilled by eligible students wishing to do so, according to Registrar Richard B. Barclay. He outlined the procedure as follows:

(1) Student must file an application for graduation in the Registrar's office.

(2) Application will be processed, and student will then be notified through Students' Bulletin to pick it up at the same location.

(3) Student will have adviser sign registration.

(4) Student will return from to Registrar with receipt from diploma fee which has been paid

in business office. It will be stamped paid.

(5) If student wishes to go through commencement exercises, he must also complete a "cap and gown" card in the Dean of Students' office, plus pay an additional \$5.00 rental fee. This is optional, however.

Mr. Barclay added that these requirements must be completed within the first three weeks of the quarter in which the student expects to receive his diploma, and points out that April 18 is the deadline for those planning to graduate Spring Quarter.

The Senate Report

Senate Considers New Cards

By MATILDA BLACK

Dean Earl Norman showed the Senate some picture type identification cards as part of a feasibility study being conducted by the body. Financing continues to plague the proposition.

The Management Club requested permission to sponsor a Road Rally. Action has been delayed so other clubs could request sponsorship of this annual event. The Senate asked the Management Club to return at a later date with an outline for the proposed Rally.

The Associated Women Students were granted \$85.00 for their annual Mother-Daughter Tea.

A joint meeting with the Board of Control will be held April 7 to determine policy.

The Hawaiian Club constitution was referred to John Calverli's constitution committee.

PTA Club Formed

This quarter will welcome a new club at Green River Community College. The students in the Physical Therapy course will soon present the club's constitution to the Student Senate for approval.

Mr. Robert Harden will be the advisor for the group.

The club's purpose is to provide social contact among Physical Therapy Assistants locally as well as interstate. They hope to inform the public of the value of PTA's in the ever expanding medical technical field and to recruit more students to GRCC, the only school in the state offering the PTA course.

Two trips are on the agenda: one to Portland in April to participate in a three state P.T. meeting; the other is a national convention in San Francisco during June.

The club officers are: Tom Hicker, president; Eileen Davis, vice president; Chris Lay, secretary; and Morgan Giles, treasurer.

Deadline Nears For Income Tax

Should you file a 1968 Federal Income Tax Return? The answer is yes if you received as much as \$600 "gross income" in 1968, according to Neal S. Warren, district director of Internal Revenue. He said gross income, includes all income that is not, by law, expressly exempt from tax. For instance, it includes wages, dividends, interest, and capital gains, but does not include allowances from parents or most scholarships.

The answer is also yes with income of less than \$600 if income tax was withheld from your earnings, Mr. Warren said. Under such circumstances, you would not be required to file, but he urged that you do so in order to obtain a refund of the tax withheld.

The due date for 1968 returns is April 15. Forms and additional information are available at the nearest Internal Revenue Office (583-7500, Seattle)

Intramurals Attract Nearly 300 Students

Intramural sports have proved to be one of the most popular extra-curricular activities on campus at Green River Community College, according to a report on Winter Quarter intra-

murals released last week by Jack Johnson, recreation sports director at the college.

Last year intramural activity was offered only on a limited basis, but Johnson has used his staff of recreation students extensively in administering several programs that involve some sort of sports activity every noon.

A total of 131 men participated in basketball this year, with 15 teams competing in two leagues and a tournament at the end of the season. Fourteen girls played in a special three-team basketball tournament.

In bowling Winter quarter, 35 participated in 30 matches. A dozen students entered a pocket billiards tournament and 25 were involved in badminton club competition.

A total of 47 students and faculty entered the Hoop Shot and 34 competed in the Recreation Sports Jamboree.

A total of 315 students and faculty participated in Fall Quarter intramural programs; Winter Quarter 298 were involved.

Marines Seek Two-Year Graduates

Through a new officer candidate program, the Marine Corps is offering college scholarships to men graduating from two-year junior colleges.

The first candidates under this program are starting Officer Candidate School this month. The program is called Officer Candidate (Scholarship) program — OC(S) for short.

According to Capt. Ernest E. Price, of the Marine Corps Officer Selection Office, in Seattle, the two-year college men will finish officer training, be commissioned Marine second lieutenants and complete three years active duty. They will then go on to college on Marine Corps time, with pay and allowances, to complete work on their bachelor's degree.

Only applicants with the scholastic and aptitude requirements for continuing at a four-year college, will be brought into the OC(S) program.

State Hires Moe

Richard Moe has accepted a position with the State Board for Community College Education, Dr. Albert A. Canfield, State Director, said today.

Moe, 40, will be responsible for vocational education.

Hawaiian Week Coming to GRCC

Can't make it to Hawaii this month? Just wait - The wonderful world of Hawaii is coming on campus during "Aloha Week" April 7 to 11, with a special "Activities Day" on April 9 from 9 to 1 on the Commons.

The Hawaiian International Club of GRCC promises a full week of surprises, prizes and entertainment, according to Tony Conque, club president,

who invites everyone on and off campus to attend.

Some of the events scheduled include the appearance of KOL Program Manager Lan Roberts with "Little Guy," and also GRCC's Homecoming Queen Susan Aarhus will be present.

In addition, orchids and plumerias will be dropped from the air by the Civil Air Patrol, while pretty girls dance the Hula, and

Maori, Tahitian and Filipino dances. An acrobatic selection also will be offered; plus many other attractions.

The Hawaiian Club, which has grown to a membership of 48 persons in three weeks, invites everyone on and off campus to attend and to join in this celebration. In the words of their president, "You'll never see another one like it!"

Proposed Constitution of the Associated Students Of Green River Community College; Vote April 23

Article I. Name

The name of this organization shall be the Associated Students of Green River Community College and the organization hereafter may be designated as the ASGRCC.

Article II. Objective

The objectives of this organization shall be to provide the opportunity for student organization, for the growth of the academic and social life of the students, and to further student relations with faculty and community.

Article III. Membership

All students of GRCC shall become members of this organization with privilege of holding office and voting in elections. Full-time students may vote in all elections and hold any office. Part-time students cannot vote for nor hold the offices of Freshman and Sophomore Senators. Part-time students cannot hold the offices of President and Vice-president, but shall vote for these offices. Section 3 Duties - The duties of appointive officers shall be defined and set forth in the By-Laws.

Article VI. Student Senate

Section 1 Jurisdiction - The ASGRCC Student Senate shall serve as the legislative body of the Associated Students of Green River Community College.

Section 2 Membership - The ASGRCC Vice-President shall be the presiding officer. The ASGRCC President shall be an ex-official member. Voting members shall be five Sophomore Senators, two of whom must be the Sophomore President and Vice-President; five Freshman Senators, two of whom must be the Freshman President and Vice-President; and five Senators at Large. The Coordinator of Student Activities shall serve as an ex-officio member in an advisory capacity.

Section 3 Senate Powers - The powers of the Student Senate shall be: to approve and review general policy concerning activities of the ASGRCC; to make recommendations to the ASGRCC President and Vice-President; to recommend constitutional amendments and By-Laws for this association; to authorize and review expenditures of ASGRCC funds; to ratify all appointments to ASGRCC standing committees or boards; to override the President's veto with 2/3 vote of those voting.

Section 4 Meetings - The Student Senate shall meet once each week of the academic year except the final week of each quarter.

Article VII. Judicial Board

Section 1 Membership - A Sophomore Chief Justice and four associates, two sophomores and two freshmen shall be appointed by the Student Body President for the duration of their continuous career at Green River Community College; not to exceed two academic calendar years, one year in each position.

Section 2 Vacancy - Should a vacancy occur, the appointee shall be of the same class rank as vacated.

Section 3 Judicial Powers - The powers of the Judicial Board shall be: to call and administer election polls, policy and procedure; to review qualifications of all elected officers of the ASGRCC each quarter; to act as a board of appeals for all cases concerning student standards; to act as a board of appeals on any question of constitutionality.

Article VIII. Rules of Order

All Associated Student Body meetings shall be governed by Robert's Rules of Order as outlined in *Parliamentary Procedure at a Glance* by O. Garfield Jones copyright 1949.

Article IX. By-Laws

Section 1 Jurisdiction - By-Laws of the ASGRCC shall be made and amended by the ASGRCC Senate.

Section 2 Notification of Intent - Any proposed By-Laws or amendments to By-Laws must be prepared in writing to each member of the Senate and read at Student Senate seven calendar days before it can be voted upon; proposed By-Laws and/or amendments shall be printed in the official college newspaper. By-Laws and amendments to By-Laws require approval of two-thirds of the Student Senate.

Article X. Constitutional Amendments

Constitutional amendments may be initiated by an initiation petition from the student body or by the legislative action of two-thirds of the Senate. In the case of legislative action, the suggested amendment shall be submitted to each senator in writing and read in a senate meeting which must precede the meeting at which it is voted upon by at least seven calendar days. The senate will then call a special election. The proposed amendment must appear in the official college newspaper before the election. Adoption of any constitutional amendments will require a 60% majority of the students voting in a special election in which 13% of the student body must vote.

Article XI. Initiative, Referendum and Recall

Section 1 Initiative - A constitutional amendment or legislative action may be demanded by a petition signed by 8% of the student body.

Section 2 Referendum - A referendum action of any legislative action may be demanded by a petition signed by 8% of the student body.

Section 3 Recall - Any elected official

may be subject to recall upon petition by 8% of the student body.

Section 4 Adoption - Upon receiving a petition for an initiative, referendum or recall measure, the senate must call a special election in not more than 15 academic days. Initiative, referendum or recall measures require a 60% favorable majority to pass in a special election in which 13% of the student body must vote.

Article XII. Interpretation

Section 1 Student Interpretation - The interpretation of this constitution and its By-Laws shall be the responsibility of the Judicial Board.

Section 2 Trustee Interpretation - The interpretation of this constitution and its By-Laws shall be made, and ultimately determined by the Board of Trustees of Green River Community College.

Section 3 Guidelines for Interpretation - Any interpretation of this constitution shall be made with the view of its basic principles which are to increase and

foster student responsibility, interest, and participation in the activities and programs of the Associated Students of Green River Community College.

Article XIII. Adoption

This constitution shall become effective upon approval of the Student Body by a 60% majority vote of the ballots cast at a special election in which 10% of the student body cast ballots. This constitution upon adoption shall supersede all preceding ASGRCC Constitutions.

Trackmen Head for Yakima Saturday

Green River's trackmen will travel to the other side of the state Saturday to participate in the Yakima Fruit Bowl, an annual event that saw ten schools invited to last year.

The Gators opened up the season last week by hosting a four-way meet on Auburn's Troy Field. When it was all over, the Gators were in third place with 29 points, behind Mt. Hood's 85½ and Yakima's 50. Olympic garnered last place with 16½.

Despite the Gator's finish, Coach Larry Turnbull is optimistic about this year's team, indicating that though the Gators are weak in some areas, they do have some outstanding performers.

One of those individuals is Brad Moore, perhaps the Gators' top prospect. Last week he took first place in both the javelin and the pole vault, where he set a new school record of 14-2½ feet.

The old record set last year by Tim Cummings was 12-6. Moore, who has had little experience with the javelin, asked the coach if he could enter that event and won it with a toss of 169 feet. He topped 190 feet with one throw, but scratched. The versatile freshman also entered the long jump and cleared 21 feet three times, but scratched every time.

Two other Green River records fell during the afternoon. Ken Strand of Auburn put the shot 43-2 for a third place finish which broke Kris Torbenson's school record of 41-7. Torbenson, a sophomore this year, finished fourth in the meet, just behind Strand.

Gary Paxton of Renton finished fourth in the long jump but his leap of 19-10½ set a school record.

The 440 yard relay team of George Casanova, Rick Kinsley, Bob Tucker, and Don Goddard tied the school record of :45.1 with a second place finish.

Other Green River athletes who won points included Norm Snodgrass, third in the 880; Don Wright, second in the mile; Bill Christel, second behind Moore in the javelin; and Rick Kinsley, third in the long jump.

Gators Lose To Everett In Golf Meet

Everett's golf team handed Green River its first loss of the season Friday, 319 to 336, at the North Shore course in Tacoma.

Mike Gugich paced the visitors with a six-over-par 78 for medalist honors. Dan Benson led Green River with a 79, six strokes over his game last week. Terry Hoggatt, the Gators' second man, is ineligible Spring Quarter.

Cheerleader Tryouts Set For April 21

Tryouts are being held on April 21 for the selection of cheerleaders for the 1969-70 school year. A cheerleading workshop will be held from April 11-17 to orient the student with cheers and cheerleading.

Men and women who feel that they may be interested, should report to the student activities office in the lower lounge. Candidates must be returning students. From the six chosen for the new squad, two cheerleaders will be sent to a college yell camp in Santa Barbara, Calif.

Jim Wohlhueter tags out a Spokane batter during the first game against Spokane last week which the Gators won, 5-3. The Gators will start league play next Friday when they host Edmonds at Kent Memorial Park.

Gators Split with Spokane; League Opener on April 11

By MIKE TERRY

The road to success may prove to be a short one for Green River's diamondmen, especially if they continue to improve as they have been in exhibition games of late.

After dropping a pair to Grays Harbor two weeks ago in their season debut, the Gators came back to split a pair with Spokane last week at Kent Memorial Park, winning the opener 5-3 but then dropping the second game, 8-5.

Probably no one is more surprised with the rapid progress of the Gators than Coach Marv Nelson. "The team is really coming along — we're much further than we were at this time last year."

And no wonder. The Gators have ten returning lettermen — enough to throw a light of joy into the eyes of any coach. "Overall, we're pretty experienced," assessed Nelson. "Pitching seems to be our only real problem right now. The loss of Dan Barrett will hurt us, but I think the spot can be filled adequately."

It can be, too, if last week-end's doubleheader is any indication of what's to come. Randy Hatfield, a sophomore from last year's team, pitched four innings of two-hit ball in the first game and could prove to be the Gator's top hurler.

Other pitching prospects from last year's team that will no doubt see action include Chuck Possenti and Ron Toschi; along with two new members to the staff, Gary Cressmen and Bill Toon.

Experience should dominate in the field as well. In fact, the infield should almost be a carbon copy of last year's, with Chuck Bayless at first base, Russ Knights at second and Gary LaBrie playing shortstop. Coach Nelson still hasn't decided who will be at third.

In the outfield returnees Dave Wohlhueter, Ron Lee and Ken Ghorley, along with newcomer Grady Mathews, will be vying for starting positions. Bill Bakamus will play behind the plate.

The Gators' only other starter was Steve Adams, who will be out for the season after suffering a cracked ankle bone in last week's game.

Strongest competition this year should once again come from Shoreline, last year's champs. The Samauri will be seeking their third straight state title.

The three league titlists, along with the second place team from the host division, will meet in Centralia May 22, 23 and 24 for the state playoff.

Last year, in their first season of play, the Gators just missed the play-offs, losing the division championship on the last day of the season when they bowed twice to Shoreline to finish a game out.

Mrs. Winter, Toschi Lead Bowlers Again

After a two week layoff for finals and Spring Vacation, the Intramural Bowling League began rolling again last Sunday. In typical fashion, Ron Toschi dominated the men's statistics with a 211 game and a 540 series. Geneva Winters bowled high game (157) and high series (471) for the women.

In the battle for the team trophy, the Upper Echelon with Linda Boils back on the team again, moved into a tie for first by taking two games from the Bumpers while Food & Book lost two to Johnson's Boys. With (15) games to go, it is still anyone's guess as to who will win.

This quarter, the G.R.C.C. mixed Bowling League has decided to award ten trophies instead of the six awarded last quarter. There will be four trophies for the first place team and one each for: high men's game, high men's series, high women's game, high women's series, most

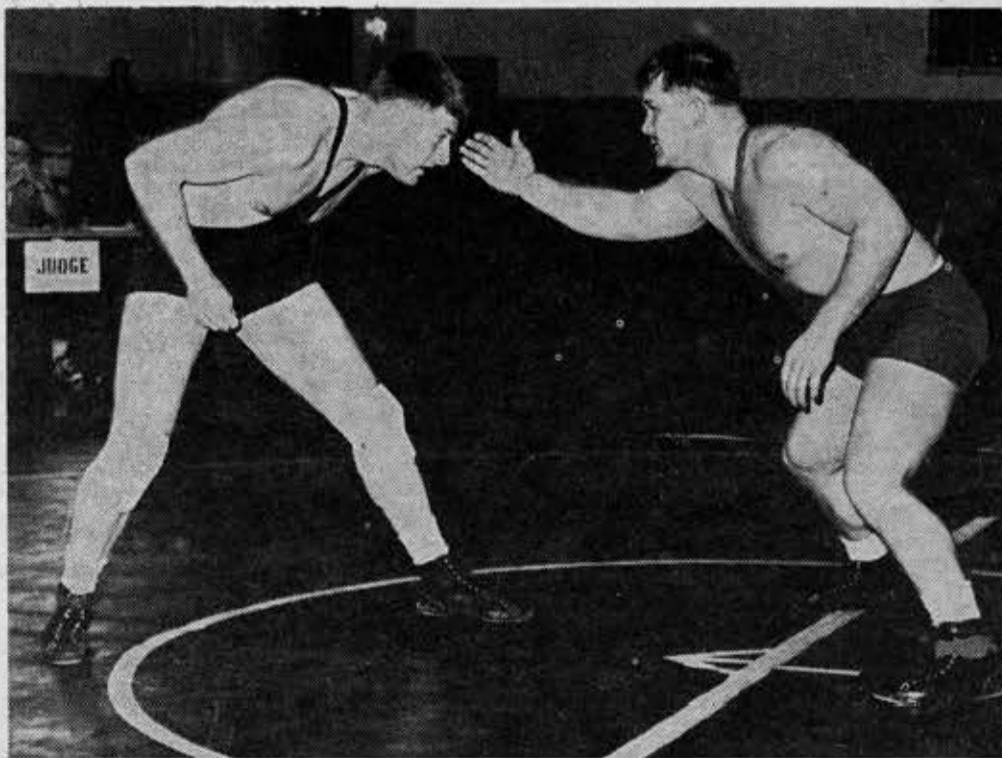

improved old bowler and most improved new bowler. In addition, the American Bowling Congress and the Women's International Bowling Congress have supplied the following awards: A.B.C. and W.I.B.C. patches for the league champions, a pin for the high women's series, a plaque for the most improved women's average and a belt buckle for the most improved men's average.

There will be no bowling Sunday, April 6, in observance of Easter. League action will resume April 13.

ARMY CHAMPION — Mick Gillespie, left, is shown here en route to winning the Eighth Infantry Division championship in heavyweight wrestling.

Gillespie Wins Championship

Mick Gillespie, captain of the Green River College wrestling team two years ago, nearly missed going to Vietnam because of his skills as a wrestler.

Gillespie won the heavyweight championship for the Eighth Infantry Division, winning most of his matches by pins and went on to take second place

in the All-Service European championships. Gillespie lost a decision by two points in the championship match. A victory in that contest would have given him a place on a special touring service team that would have toured throughout the world.

But right now Gillespie is just another G.I. serving in a

supply center in Vietnam. He left for Far East Asia March 26 after a month visit to his home in Puyallup. He also visited the campus at Green River while home.

Mick is the older brother to Green River College sophomore Sam Gillespie.
